SIMON GEVERS : LIGHT ::: Galerie Düsseldorf ::: 1 - 29 October 2006

These works primarily evolved as a homage to Vipassana meditation.
They are not a representation or evocation of the meditation experience.
Like meditation, they seek purity, love and light.
The outcomes though cannot be compared.

This exhibition is dedicated to Nikki, the light of my life.

Light 1-27 2006

Hand carved polyurethane, halogen / natural light, perspex

33 x 33 x 11 cm

\$ 1,600 each

custom made mdf shelf 30 x 60 x 3.5 cm, supplied and installed \$ 190 each
